

Greetings Potential Sponsor,

I would like to be the first to introduce you to the 8th Annual 2022 Lee Haney Games, where the best physiques and athletes will come together for the greatest competition of the year! We will be hosting our event this year at the Georgian International Convention Center (www.gicc.com).

Atlanta, being recognized as an international melting pot has been a great location for many sporting events. This event is an NPC National Qualifier for all athletes with the goal of competing on the national level to obtain “pro” status with the IFBB.

This year will host the 8th Lee Haney Games. The Lee Haney Games Vendor Market will host a place for vendors to build or expand their brand awareness with attending spectators and athletes. Vendors are encouraged to display, sample, and sell their products or services to the event attendees. Becoming a part of the Lee Haney Games Vendor Market will give you both the exposure and opportunity of partnering with the Lee Haney Games as the event grows and become a recognized brand in both Nationally and in the Atlanta area.

The date is set for November 12, 2022 and we look forward to having you be a part of our event. This event will contain great entertainment and fun. If you have any further questions, please contact us via the information listed below. In this sponsor packet you will find additional information on becoming a part of our growing and first-class event.

Sincerely,

Lee Haney
8x Mr. Olympia
Past Chairman of the President's Council on Physical Fitness & Sports

2022 Lee Haney Games
